

DIVINE LOVE SANCTUARY FOUNDATION
2019 ANNUAL GENERAL MEETING
January 5, 2020

President's Report

The Mission of Divine Love Sanctuary Foundation (DLSF) is to ***“Awaken humankind to the wonders of Divine Love and to be channels of love, peace and healing for our planet.”***

The goals of DLSF are to facilitate gatherings locally and around the world in prayer, healing and learning about the spiritual practice of receiving Divine Love.

DLSF is governed by 5 members who seek to be inspired and God-guided. To this end, we are a **network** of individuals and an organization that shares the same values and goals in bringing greater light, love and harmony in the world.

Besides our hard working and dedicated Board Members, we are blessed to have a network of volunteers transcribing, editing and distributing contemporary messages received through three Divine Love Mediums. We welcomed several new and eager volunteers to our international team who co-hosted Circles of Light in their homes, in their communities and online; other volunteers assisted us with publications, by facilitating workshops, healing, yoga and Sound Baths. Still others, volunteered to help clean, cook and serve delicious and healthy meals at our Retreat Centre in Gibsons!

We are always looking for volunteers to help us with administrative tasks (transcribing, editing and posting messages) and to host Divine Love prayers, workshops and Circles of Light.

The following is a list of DLSF outreach efforts and activities made possible by the efforts of some amazing “Angels on Earth” as well as Angels from Heaven during the past year:

Divine Love Circles of Light:

- West Vancouver: in the home of Barbara Davies and Terry Adler, this circle began 45 years ago and is still going strong!
- Gibsons: in the home of Al and Jeanne Fike, these circles began 15 years ago when the Fikes moved (part time) to Gibsons
- First United Spiritualist Church, Burnaby, BC: this circle, facilitated by Raphael Legros, with Maureen Cardoso as the Medium, began 3 years ago.

An estimated 75 individuals participated in these Circles of Light in the Vancouver area during 2019.

Divine Love Circles of Light in Retreat at DLSF:

Personal, weekend and multi-day Retreats were ongoing during 2019 with 134 “sleep overs” at the home of the Fikes. Dedicated to soul awakening, an “Angels Q & A”, a First United Spiritualist Church Strategic Planning and Divine Love Mediumship Retreats ran from 5 to 7 days.

Online Circles of Light:

DLSF kicked off 2019 with an Online Circle of Light **World Prayer** with 39 participants. Spanish speaking Alberto Arrietta, from Bogota, Colombia captured our hearts while Raphael Legros translated an enthusiastic invitation to come and pray in Bogota!

Online Circles of Light hosted every other Sunday in 2019 expanded with the addition of Online Circles on the first and third Tuesdays to accommodate residents “down under”....then in June 2019, Online Circles expanded again with weekly meetings on Fridays! The Friday sessions (Saturday morning down under) have become our most popular circle.

There have been 95 participants during 2019 with an estimated average of 20+ regular participants on any given day. With Divine Love Mediums Maureen Cardoso, (Abbotsford, BC) and Jimbeau Walsh, (Punaluu, Hawaii) stepping up to co-facilitate, almost 120 messages from the Celestial realms were received online using Zoom Video Conferencing – far surpassing the number of messages received during in-person circles!

What'sApp LightBringers Group:

The **LightBringers Prayer** chat line, initiated by Bill Frase and Raphael Legros in 2018, expanded with a complementary **Divine Love Conversations** Group In 2019 for those LightBringers seeking more conversation. These two groups are helping to grow and strengthen the Global Lattice of Light that is one of the mechanisms to support God's Plan for the Salvation of Humankind and bring the Earth into balance.

LightBringers began in late 2018 to facilitate and promote the coordination of simultaneous prayers around the world with approximately 40 participants. LightBringers now has 74 participants from time zones In Australia, Asia, Africa, Hawaii, Europe, the U.K. and across North America while Divine Love Conversations has 24 group members. LightBringers is also used as the platform for posting audio recordings of channeled messages from the Celestial realms within minutes or hours after they are received.

Portals of Light:

The number of portals of light in the world continue to increase. In a message from Seretta Kem on September 9, 2019: *“I wish to encourage you to continue to pray for the Portals of Light that have been established in the world and to pray that there will be more, for the world needs many more. As you pray to strengthen these Portals, they will become a great nexus of Light in the world that will strengthen the Lattice of Light that is being formulated by your efforts. This beautiful network of Light will bring the world greater light, will help to change the conditions of the world to something that is more in harmony with God’s Creation and will help bring the influence and efforts of Heaven and the Higher Spirits closer to Earth.*

This effort is important to neutralize dark conditions, to help bring wave upon wave of light and to help push back the darkness. I ask you to keep these Portals in your mind and in your prayers. Consider this an important part of your work, to pray for these Portals to brighten and strengthen and widen, that the power of these gifts from God will be energized and strengthened with each day.

Wherever there is a beautiful soul of light who desires to establish a Portal in their residence or building or church or whatever the structure may be and there is stability there, a foundation so

to speak, then a Portal may be established, added again to the great network of Portals. For those who are listening to this message, know that this is a possibility, that this gift may be given. It is not given lightly. It is not given in circumstances that are of happenstance and instability. It is given as a gift to those who have earned and have created a stable environment of Light around them and within their home.”

Divine Love Website Forum:

A major component of outreach by DLSF began in 2012 when Geoff Cutler helped us to establish our website Community Forum. The 2012 Annual Report stated that the Forum “receives hundreds of hits each month and the forum has the highest usage rate of any Divine Love forum in the world. Membership then was 98 with almost 4,000 posts on about 400 topics. The Forum was considered to be DLSF’s shining achievement in 2013!

In 2019 the total number of posts in the forum exceeded 13,591 with a total number of 1,436 topics and a membership of 393. The most ever users online were 251 on Friday, November 15, 2019! The most popular topic in 2019 was “Does diet play a role in one’s Spiritual Progress?”

Divine Love Sanctuary Facebook Forum (Group):

The Divine Love Sanctuary Facebook Group was started in late April 2019 by Beth Mazur. Her goal was to create a place where people could share spiritual experiences and inspire others on their journey of praying for God's Divine Love. The Facebook group 'meets people where they are' ... serving as an intermediate communication channel between Lightbringers and the Forum on the DSLF website. Given that Facebook is one of the most popular social media platforms, the group is a great complement to the DSLF main Facebook page.

Since its launch, the DLSF Facebook group has more than doubled in size, growing from an initial 43 members to 106 members by year's end. The group has also been very successful at engaging participants with nearly 600 posts and 4,200 comments in just over eight months. The quality of some of these conversations has been generally quite good. So much so, that Rev. Eva Peck, minister and trustee of the Foundation Church of Divine Truth (FCDT), was able to compile and edit selected questions and answers into three separate volumes titled *Experiencing Divine Love*; these are available for download by group members.

Our goal in 2020 is to continue to attract new members. We will continue to use the group to support other Divine Love activities, such as our regular Zoom circles. And most importantly, we will use the group to encourage interaction between Divine Love followers across the globe and across multiple organizations, helping to strengthen the Lattice of Light.

Divine Love Radio:

Divine Love Radio (WDLR) founded by our enthusiastic supporter and retired broadcaster, Brooke Folk has listed 25 episodes since February 2018. DLSF has been part of 11 episodes. Total listeners to those 25 episodes is at present 1,325. That makes an average of over 50 downloads per episode with the most downloads of 146 when Jeanne and Al interviewed Raphael Legros. The average number of guests per episode is about 20 up by about 5 people for each episode during the past few months. Thirty-five plus people have listened to an interview with Jeanne and Al about our Soul Awakening Retreats in Australia and Hawaii during November and December 2019.

First United Spiritualist Church:

Al, along with long-time Divine Love followers Darlene Gaunt, Raphael Legros and Ellen Hovan were elected to serve on the FUSC board of directors in January 2019. The new board has brought increased harmony at the church during the past year, with negativity falling away. There is a great portal of light there. Raphael, Darlene and Maureen facilitate Divine Love Circles of Light and give monthly talks at the Sunday services, as do Al and Jeanne each month. Fourteen people participated in a Divine Love Mediumship program and as many as 20 people have attended Circles of Light.

We welcome Susan Lytton-Hitchins who channeled 3 messages in Fitzroy Falls while she hosted our Divine Love Retreat there in November 2019.

What were the topics covered by the messages?

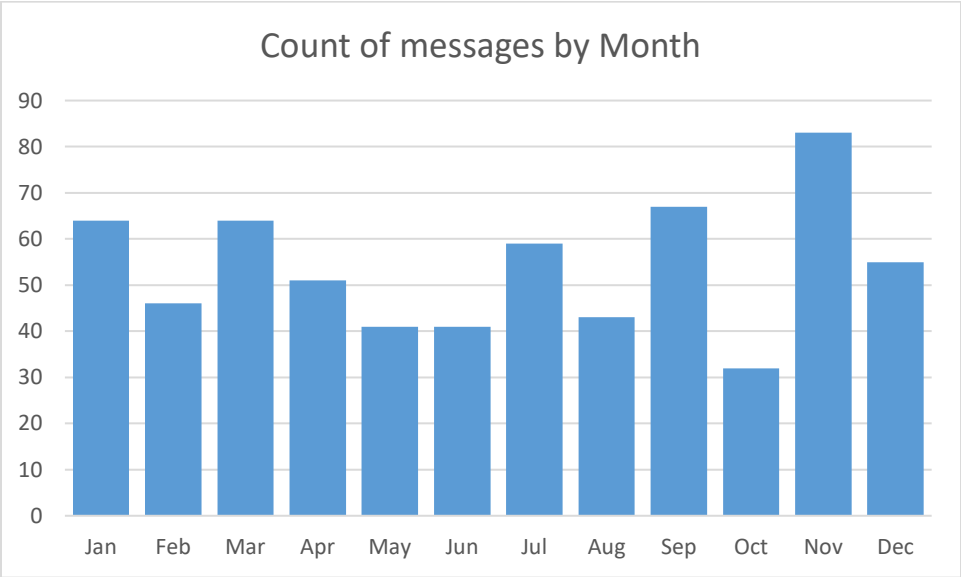

Many messages covered multiple topics, but we tried to capture the main topic. Several messages have not yet been transcribed or edited so the topic is not yet been defined. Here is a brief summary as of December 31, 2019:

When were the messages captured as far as what event? We call these “collections”. Here is a graph by collection:

Finally, how did the messages come in by month? Here is a graph for that:

Mailchimp:

The DLSF board wishes to express our deepest gratitude to Kevin O’Neill (New Jersey) for his steadfast support in transcribing and sending out messages and announcements to 340+ participants via Mailchimp every Sunday.

Kevin also manages a Mailchimp list of 95 participants for Online Circles of Light and 42 contacts for the First United Spiritualist Church! We would be absolutely lost without Kevin's help!

Our beloved Geoff Cutler of www.new-birth.net fame, has been busy combing through DLSF archives and sending out 10 messages a week to about 100 subscribers. If you are hungering to receive more contemporary messages, [visit this page to sign up.](#)

We continue to struggle each day to keep our promises for 2019: "to strive every day to live our lives in harmony with God's Will and to keep ourselves in the highest condition of harmony". We know our Celestial band of Angels are always with us to uplift us in prayer, reinforce the light around us and within us.

We strive to keep our faith in what Seretta Kem has told us: *"you must be close to God, you must follow your guidance and prepare yourselves for the coming Earth changes. In time the Earth will right itself. There will be harmony, but the time for transition is now."* We strive to awaken our souls by being in alignment with God and to receive ever greater quantities of His Great Gift of Divine Love. We know that much guidance, assistance and protection will be given in coming times to those willing to listen.

We look forward to connecting and strengthening our mutual services in 2020 and spreading the Truth of God's Love for all His children and creatures. God Bless!

With love and gratitude,

Jeanne Fike
